GAO REPORTS ONLINE
December 12, 2005

Acker Library provides a selective listing of **new** GAO reports on military, defense, or acquisition topics that are available for downloading from the GAO website. This list is updated whenever additional reports of interest are added. All reports including those pertaining to the military are available at the [GAO website](#). To locate reports back to 1995, click on the archives section of the GAO website and then follow the directions given there. Contact the [Reference Librarian](#), 805-4551, if you have any questions about accessing these reports.
